furiously the far scared warriors  
crept closer to the door. Courageously  
they tip-toed out of the bath room.  
petrified but determined  
they prepared to fight. First in  
line was Leonardo the biggest  
of them all what he was in  
height he lost in fury. He  
had eyes as green as a  
Spidey Cat with hair as  
brown as a river of chocolate.  
The rest followed behind him.

Angrily Leonardo turned  
to Katie and yelled: "More fast  
get that cross, there could be something  
coming." Katie

Katie stuttered, "oh why I'm afraid/  
why don't you do it yourself?"

In an angry reply Leonardo  
shouted, "Don't be a little whimp  
or perhaps chicken!"

There was no chance for the others  
to not lose. In fact they were to  
succeed to challenge the Mighty  
Leonardo. The Super plan was in  
place. The crew knew what they had  
to do. Not everyone was exactly sure  
that they wanted to do it. It was  
only in their hands.

Hearts beating as fast as a  
cheetah chasing its prey, the  
team entered the hell hole with  
the number 13 on its door. It took  
a second or two for their small eyes  
to adjust to the darkness. They  
were in the devil's cave as big  
as the unmakers sucked together.  
The blood hovered around him and  
seemed to lick them. Mayo's  
tongue flickered on and their shadows  
fluttered across the room. It was  
bigger than they expected.

Suddenly mist~~er~~vised his ~~stare~~ and pointed it towards the devil's black heart! however he was useless as for where the beast was still alive. mores shone her tooth on the soul of the dumb, suddenly the vampires' evil red eyes shone brighter glowing. At that moment it screamed in terror as he saw his doom staring at the weapons approaching him. Leonardo held the wooden cross aloft. At that moment the vampire lunged toward the hero with a gang. Suddenly they changed and begged him for the mending chains he stole.
